

# A Special Message from AWCP President Crystal McLain

## April, 2020

Crystal McLain, WCCP

Hello everyone,

Like many other companies and organizations worldwide, AWCP is taking the COVID-19 pandemic and the health of our members and colleagues seriously. Due to the mandatory “Shelter in Place” order from the State of California, we are suspending all AWCP Educational Luncheons and Events indefinitely.

The AWCP Board of Directors are incredibly saddened with the idea of not being able to see you all in person as we have each and every year before what is facing all of us today. We are working hard to make sure that when the state order is lifted, we’re poised to pick right back up where we left off.

We are currently exploring alternate ideas on how to continue with providing education to our community should the current situation continue – we’ll let you know more about this as soon as we can.

In the meantime, we hope that you, your families, and your coworkers remain safe and healthy.

Keep in contact with us! We can’t wait to see you soon.

Respectfully,  
Crystal McLain, WCCP
