

County of Santa Clara

Director of Workers' Compensation Program

\$153,717 - \$197,187 Annually

The salary range is dependent upon qualifications.

The Director of Workers' Compensation Program is responsible for planning, organizing, directing, and evaluating the activities and staff of the County-wide Workers' Compensation Program, which includes overseeing the development, implementation, and evaluation of the program. This position is responsible for directing the various activities of the program, including the tracking and evaluation of regulatory information, legislative review, communication with regulatory agencies, management of the centralized system contract, performance of quality assurance auditing, and provisions of leadership.

Required Background and Experience:

A qualified candidate must possess education and experience equivalent to a bachelor's degree in Business or Public Administration, or a closely related field and five (5) years increasingly responsible experience managing or supervising Workers' Compensation and Insurance functions.

In addition to a [generous leadership benefits package](#), the individual selected for this role will enjoy a rewarding career with the Risk Management Division in the Office of the County Executive.

Final Filing Date: Thursday, June 1, 2023
